Chicago Flower and Garden Show At Navy Pier

By Alisha Phifer, Activity Aide

On March 12th Greenwood Care residents were able to take pleasure in the many joys of spring at the **Chicago Flower and Garden Show**. Residents strolled through gardens such as *America's Backyard* - which featured a collection of annuals and perennials, and the *Hope for the Healing Planet* exhibit which featured three Japanese inspired rooftop gardens. The gardens were breathtaking and inspiring.

Greenwood Care residents are now ready for spring and look forward to sunshine, raindrops, daisies, butterflies and the upcoming events planned for April. There are many enjoyable and entertaining activities offered at Greenwood Care.

Please join us in all the fun!

Spring Cleaning

By Freda Washington, Activity Director

Spring has finally arrived!! Now it's time to throw on the old jeans and t-shirt and do some spring cleaning.

Greenwood Care has begun just that. We started with the Greenwood Care Library which overflowed with books, books, and more books; leaving little space to relax and read or to have group meetings.

So we completely cleared out the library and started from scratch. Chris Coutee (Activity Aide) painted the walls and afterwards buffed and waxed the floors. He then created a beautiful mural of President Obama and added to the atmosphere by putting in soft lighting, decorative ornaments, a few plants, an aquarium (not real), a Betta fish (real), photographs of residents and of course BOOKS and magazines.

Now that the library is a functional space to read, study, or relax please come and visit; and give a BIG THANKS to Chris Coutee for all his hard work.

Residents' thoughts on the new Library...

"I love the new Library" - *Lynne C.*

"I really like seeing the fish; they make me feel relaxed. It makes me feel comfortable. And I enjoy the new selection of books." - *Gwendolyn G.*

"The Library is a refreshing space to get away from the hustle and bustle. The new face lift is quality and the mural of our new President adds to the pleasant feel of all the other changes." - *Charles P.*

"I like it especially the mural of President Obama and the US Flag." - *Roslyn T.*

"The three curtains are exquisitely beautiful in choice of colors." - *Robert M.*

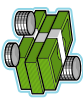

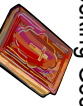

"It has a soft touch to it that makes you feel like you're at home in your own study." - *Nakeisha W.*

"It is full of fine talent, design and creativity. It's simple yet beautiful." - *Rachel D.*
